

**BOLLARD**

# EXTERIOR BOLLARD

Simple, modern landscape lighting. Bollard lights are ideal for illuminating walkways, parking lots, boardwalks, pathways and entrances.

Used for commercial, municipal, hospitality and residential applications, bollards provide illumination for enhanced security, and ambiance.

These fixtures illuminate parking lots without the need for high poles, cast soft light over park pathways, and set the mood by highlighting gardens and plantings.

Wide variety of styles & sizes available.
