

EAG-LED

TUBELIGHT

TUBELIGHT

Designed for maximum efficiency and ultimate performance the EAG-LED Tube Light excels where other Tube Lights fall short.

The light is soft and uniform and easy on the eyes, and because they are flicker free, no eye strain and no headaches.

Their low operating temperature and even 120 degree beam angle makes them one of the most versatile Tube Lights on the market.

TUBELIGHT

Advantages

- CE RoHS UL TUV DLC
- Input voltage 100-277 & 240-480 Vac
- No UV or IR in the beam
- Energy Efficient, Long Lifespan
- Instant start, NO flickering, NO humming
- Light is soft & uniform, Safe to eyes
- Green and eco-friendly without Mercury
- Length can be arbitrary
- End caps can be rotated
- Available clear or frosted

Applications

- Warehouses
- Garages
- Hospitals
- Offices
- Hotels
- Schools
