STRIP LIGHTS

EAG-LED Strip Lighting is commonly used around windows or garages to draw wanted attention to your business.

Owners are able to change colors and set to a remote control for the easiest marketing technique.

Strip lighting also works in display cases and under counters. Its very thin with a 3M sticker back.

Available in 5 meter length rolls, 120 LEDs per meter.

STRIP LIGHTS

Advantages

- UL cUL DLC
- IP65 – IP68 Driver
- High CRI
- Silicone UV Protection
- Input voltage 100-277 Vac
