HIGHBAY HIGH HEAT

EAG-LED High bay High Heat lights deliver safety and efficiency for large scale, high heat facilities such as manufacturing facilities, warehouses etc.

EAG-LED high bay high heat lights provide specific light patterns for your applications. Let one of our lighting professionals help you today.

Optional with motion sensor, emergency battery backup, dial dimming and daylight harvesting as add on features

HIGHBAY HIGH HEAT

Advantages

- UL cUL DLC
- High CRI
- IP65 driver
- Input voltage 100-277 & 240-480 Vac
- high light reflectivity reflectors
- Advective holes and grooves in each fin, excellent for heat dissipation
- Energy Efficient, Long Lifespan
- Instant start, NO flickering, NO humming
- Green and eco-friendly without Mercury

Applications

- Manufacturing Facilities
- Warehouses
- Toll Booths
- Gas Stations
